

Acme Analytics - Employee Handbook (Extract)

Working Hours and Flexibility

Core hours are 11:00 to 17:00 IST, during which employees are expected to be reachable. The remaining hours may be scheduled freely. The standard working week is 40 hours.

Employees may work remotely up to 3 days per week. Fully remote arrangements require written approval from both the reporting manager and the Head of People.

Leave

Each employee accrues 18 days of paid annual leave per calendar year, credited monthly at 1.5 days. Unused leave carries over up to a maximum of 10 days; anything beyond that lapses on 31 December.

Sick leave is 12 days per year and does not carry over. A medical certificate is required for any absence longer than 3 consecutive days.

Parental leave is 26 weeks for the primary caregiver and 6 weeks for the secondary caregiver, available within the first 12 months.

Expense Reimbursement

Expenses under Rs. 5,000 require only a receipt uploaded to the expense portal. Anything above that threshold needs prior manager approval. Reimbursements are paid with the next payroll cycle if submitted before the 25th of the month.

Travel is reimbursed at actuals for economy airfare and standard hotel rates up to Rs. 6,000 per night in metro cities and Rs. 4,000 elsewhere.

Equipment

Every employee receives a laptop on joining, refreshed every 36 months. A one-time home-office allowance of Rs. 20,000 is available after probation.

Probation and Notice

Probation lasts 3 months and may be extended once by a further 3 months. Notice period is 30 days during probation and 60 days after confirmation.

Code of Conduct

Acme prohibits harassment of any kind. Reports may be made to any manager or directly to the Internal Committee at ic@acme.example. All reports are treated confidentially and acknowledged within 48 hours.
