

Northwind Retail - Returns and Refunds Policy

1. Scope

This policy applies to all consumer purchases made through the Northwind Retail online store and its physical outlets in India. It does not cover wholesale or business-to-business orders, which are governed by the Master Supply Agreement.

2. Standard Return Window

Customers may return most items within 30 calendar days of delivery for a full refund. The 30-day clock starts on the date the courier marks the parcel as delivered, not the date of order.

Items must be unused, in original packaging, and accompanied by the invoice.

3. Damaged or Defective Items

If an item arrives damaged or develops a defect, the customer has 10 calendar days from delivery to raise a claim. Claims must include at least two photographs showing the damage. Northwind will arrange a free reverse pickup within 3 business days of claim approval.

Damaged-item claims raised after 10 days are assessed under the manufacturer warranty instead, which runs for 12 months from purchase.

4. Non-Returnable Categories

The following cannot be returned once the seal is broken: innerwear, cosmetics, perishable food, downloadable software, and personalised or engraved goods.

Gift cards are never refundable.

5. Refund Timelines

Approved refunds are issued to the original payment method. Processing takes 5 to 7 business days for UPI and wallet payments, and 7 to 10 business days for credit and debit cards. Cash-on-delivery orders are refunded by bank transfer once the customer supplies account details.

6. Exchanges

Size exchanges on apparel are free once per order. Any further exchange on the same order carries a flat shipping fee of Rs. 99.

7. Escalation

Unresolved cases may be escalated to the Grievance Officer at grievance@northwind.example within 30 days of the original claim. The officer responds within 15 business days as required under the Consumer Protection (E-Commerce) Rules.
